

BUSINESS CONTINUITY UPDATE DURING COVID-19

Following the Government announcement on 12 May, 2020 estate agents have been given the green light to conduct house viewings and valuations in person.

Holland Broadbridge offices are now open and we ask clients, suppliers and associates visiting our offices to continue to follow Government guidelines on social distancing, as we remain alert during this unprecedented period and evolving Covid-19 situation.

Should you wish to arrange a property viewing or valuation please call our office on 01743 357000 – our sales and lettings teams will be pleased to assist.

We must stress that the relaxation of Government rules can only work under strict social distancing and other measures designed to combat the Coronavirus.

Thank you.

Holland Broadbridge Partners
